SURFACE TRANSPORTATION BOARD

STB Ex Parte No. 558 (Sub-No. 2)
RAILROAD COST OF CAPITAL - 1998

Decided: February 19, 1999

NOTICE TO THE PARTIES:

The attached service list has been compiled from the notices of intent to participate in this proceeding submitted in response to the notice and decision published in the Federal Register on December 29, 1998, at 63 FR 71669. Statements of the railroads (original plus 10 copies) must be filed with the Board by March 26, 1999, statements of other interested persons (original plus 10 copies) must be filed by April 16, 1999, and rebuttal comments of the railroads (original plus 10 copies) must be filed by April 30, 1999. Before a document filed in this proceeding may become part of our official record, it must be served on other persons designated as parties of record on the service list, and the document should so indicate. Any person who may have already filed written comments in this proceeding must serve them on all parties of record within 10 days after service of this service list. A person who is not designated a Party of Record on the service list need not be served with copies of filings but will be advised of all Board decisions in this proceeding.

Persons listed on the attached service list should review it and determine whether information about their address and status as a party (as a Party of Record or not a Party of Record) is correct. The list reflects our policy of allowing only one official representative per party to be placed on the service list.

Any requests for change of status, correction of address information, or deletion from the service list must be filed in writing with the Board by March 1, 1999. An original and 10 copies of such requests should be directed to:
